September 2024

ABRASEM Committees

1. Seed and Seedlings and Plant Health ag. sector representation
2. Active participation in Working Groups/meetings
3. Gov. agency positive agenda
4. Committee's alignment/connectivity in common subjects/topics
 - Legislation
 - Phytosanitary
 - Seed Treatment
 - Plan Variety Protection
 - Laboratories
 - Forages
 - Executives (State Assoc./Entities)
 - Seed Illegal Practice

ABRASEM Committees 2024 Priorities

1. Plant Defense Self-control new regulation
2. Seed and Seedlings update regulatory framework
3. Plant Health update regulatory framework
4. Seed Movement and Phytosanitary topics
5. Electronic platform system - Plant Defense self-control - SIGEF/RNC/RENASEM/SISZARC Systems
6. Plant Variety Protection Law
7. Seed treatment product registration and new technologies
8. Illegal practices - regulatory/political/criminal action plan
9. Capacity Building for update regulatory framework

Phytosanitary Committee

Agenda
