- What has **NAPPO** done in the area of seeds?

NAPPO Products – www.NAPPO.org

Regional Standards for Phytosanitary Measures

- Phytosanitary Guidelines for the Movement of Seed - **RSPM 36 – 03/13**

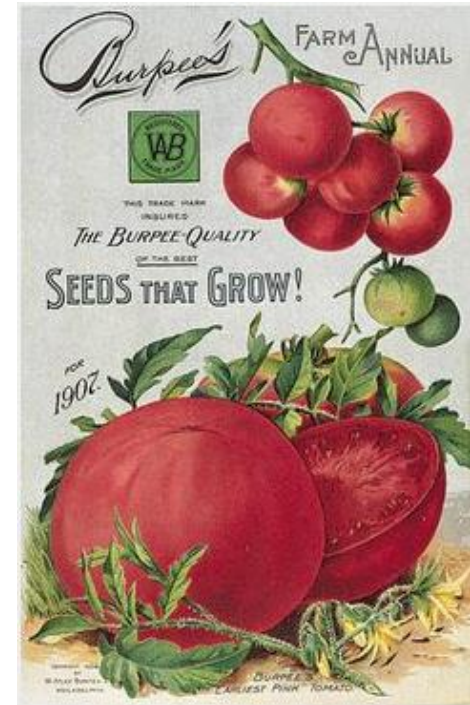

Phytosanitary Alert System – www.pestalert.org

- *Official Pest Report* – USA - Cucumber Green Mottle Mosaic Virus (CGMMV) in CA – **12/13**
- *Emerging Pest Alert* - CGMMV: New host records – **03/17**

Workshops and Symposia

- Symposium on International Trade of Seeds – **10/11**
- Workshop on needs assessment for regulatory support of the North American seed industry – **07/15**

- What is **NAPPO** currently doing in the area of seeds?

2016-2017	
New Discussion Document	DD 09 – Criteria for Evaluating Phytosanitary Seed Treatments
○ ID'd as a need @ 2015 workshop ○ Project selected for NAPPO work program for 2016-17	<i>Purpose</i> ○ List of criteria for evaluating phytosanitary seed treatments ○ Identification of data gaps and research needs

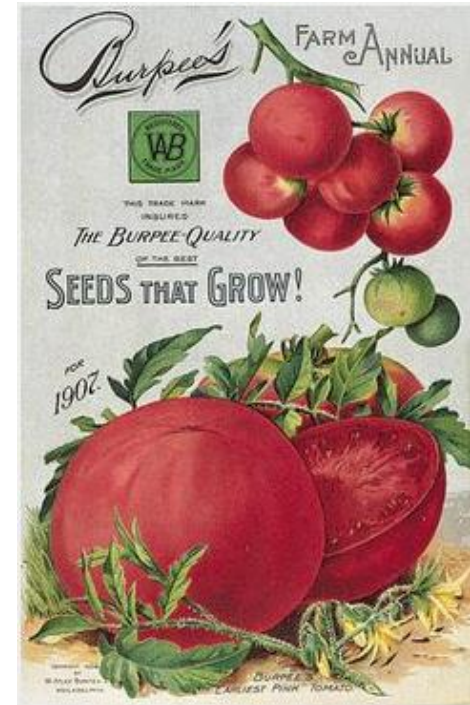

Update

- DD completed - 03/17
- Country Consultation – 04/01 – 05/30
- Comments from Govt., academia
- EG chair addressing comments
- Revised DD approved by Seed EG by consensus
- DD endorsed by NAPPO Executive Committee - 10/16
- DD uploaded to NAPPO website

2017	
RSPM 36 & ISPM 38	○ Comparison of standards and next steps
○ Identified as a need after CPM-12 ○ Subgroup of Seed EG	<i>Purpose</i> ○ Determine if RSPM 36 should be archived ○ Decide fate of ... ○ Annex 1 - Seed borne/transmitted pathogens ○ Appendix 1 – Seed Testing & Diagnostic Methods ○ Appendix 2 – Seed Treatments for Q-pests

- NAPPO ED 1st review
- EG Chair 2nd review with seed subgroup including industry
- Decision on next steps by consensus by Seed EG

- **NAPPO** plans to implement ISPM 38?

2018-2019

Hemispheric Workshop on implementation of ISPM 38

- *Purpose* - promote the regional implementation of ISPM 38 – *International Movement of Seeds*

- Submitted as new project for 2018 NAPPO work program
- Go through prioritization/ranking by stakeholders
- Prioritized and selected by NAPPO EC

- **Open to industry and government**
- Project
 - expected to take 18 months
 - design and delivery
 - has support from industry
 - Secretariat looking for venue

NAPPO project prioritization process

➤ Criteria

- alignment with regional strategic priorities
- harmonization value for North America
- focus on pests of concern to member countries
- availability of technical/scientific expertise
- “completeness” including resources
- Secretariat resources
